This will be needed if the child is the players chosen to play on the opposing team. (In a week or so we will have a red and a royal vest in the field equipment bags.) Remember that all players must play at least 50% of the game. The referee shall oversee the coaches pulling of players to see that it is fair.
9. Coaches may not be on the field.
10. Emphasize fun. Scores will be kept by the referee, only to monitor the 4 goal advantage rule.
11. Offside offenses conform to FIFA.

GAME DAY REMINDERS

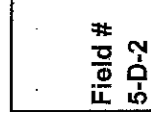

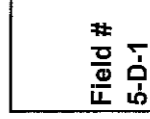

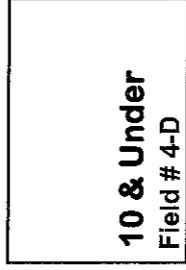

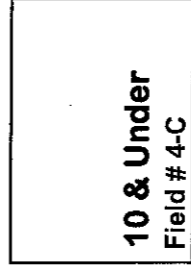

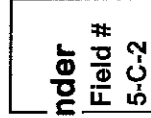

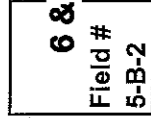

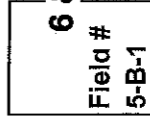

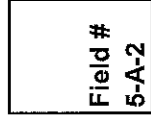

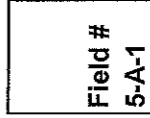

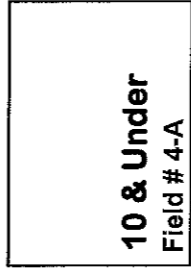

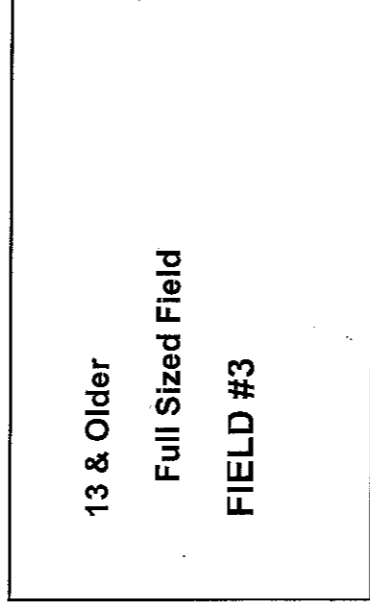

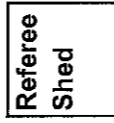

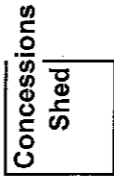

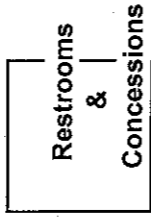

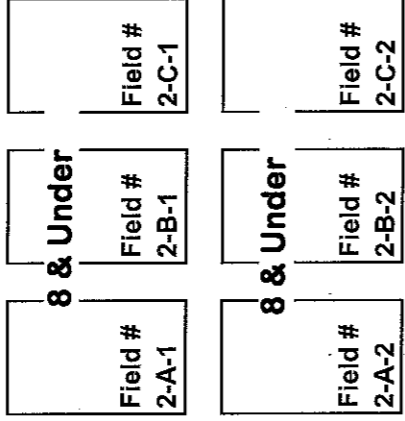

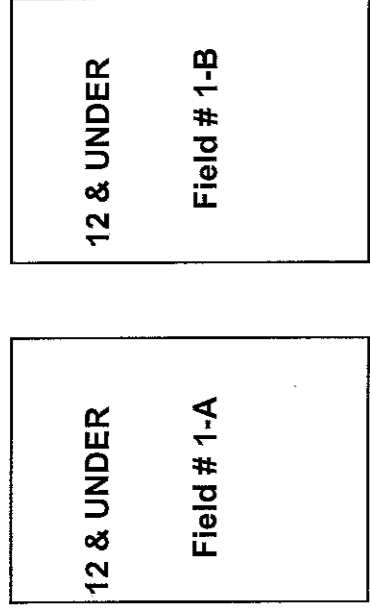

- Spectators must sit or stand on one sideline while both teams' players and coaches will be on the other sideline (the one with the team benches).

GENERAL GUIDELINES

- Only players rostered to the participating teams will be allowed to play in a league game. Coaches: If you or the opposing team does not have enough players present to participate, meet and divide the eligible players present into 2 evenly skilled teams and play the game. Rotate or swap players as needed to make an evenly skilled match.
- A player must not wear anything that is dangerous to themselves or another player. This includes jewelry of any kind, except for items that are clearly medical or religious in nature, such as medical alert bracelets or wedding bands. In all cases, the referee must not consider these items to be dangerous. Players are not allowed to have ANY kind of beads or metal hair pieces. They shall not be allowed to play unless they remove the pieces from their hair.
- Concussions / Headings:
 - Players that are 10 years old & under - No Heading Allowed
 - Players 11-12 years old - Limited Heading Allowed In Practice ONLY
 - Players 13 years old & older - Heading Allowed in Practice and in Games
- Violation of this rule is an indirect free kick. Persistent violation can result in a yellow card and a second yellow card infraction would result in a red card. If a parent makes the decision for their child to play up, resulting in the child playing in 13 or up, the parent must be made aware of the fact that it is in direct conflict with the mandate that goes into effect 8/1/16 regarding heading. The primary concern of all organizations and leagues is to provide a safe as possible playing and practice environment. The parent in this case of wanting their child to play up would assume the potential risk relative to heading and concussions since they have been made aware that it is in conflict to the mandate effective 8/1/16. If a player is sent off by a referee for a possible concussion, the coach and parent assume responsibility if the player is sent back into the game. The referee can send the player back off the field if symptoms of a concussion is evident.
 - Spectators must sit or stand on one sideline while both teams' players and coaches are on the other sideline (the one with the team benches). No one may sit or stand behind the goal lines.
 - Coaches are responsible for the conduct of their team, including players, assistant coaches and parents.
 - **Each coach is responsible for playing each player at least half the game.**
 - The JAWS board may suspend or expel from the league any parent, coach, player, or referee guilty of misconduct.
 - Coaches may file protests on rules or eligibility decisions with the referee and turned in to JAWS no later than the Wednesday following the game. The JAWS board will issue a decision as soon as possible.
 - If at all possible, COJ will facilitate the rescheduling of rain-outs or schedule conflicts with coaches assistance.
 - Except for each team's goal keeper, all members of a team must wear shirts of the same color. Starting in the spring of 2005, JAWS youth players will wear RED and ROYAL reversible JAWS approved soccer shirt available individually from Great American Sports HOME team wears RED and the VISITING team wears BLUE. Non-uniform clothing is allowable based on weather conditions, but the reversible shirt must be worn on the outside. Shirts should not be customized with names, numbers or other decorations so that the shirts may be worn season after season.
 - All players must wear age & size appropriate shin guards worn under the socks.
 - Referees have **TOTAL** decision making power regarding substitutions, time keeping, suspension of games, and infringements of the laws of the game including cautions or sendoffs. Unlimited substitutions may take place at any stoppage with the permission of the referee.
 - JAWS does not allow metal cleats or cleats with a single spike in the toe area (football or baseball style).
 - A player initiating a restart may not touch the ball a second time; indirect free kick results for the opposing team.
 - Ball remains in play while any part of it is within, on, or over the touch (side) lines or goal (end) lines.
 - Quick restarts on free kicks and throw-ins are an exciting and encouraged part of the game.
 - Games may end in a tie; no overtime.
