FALL 2016 SOCCER Rules and Regulations

8 & UNDER BOYS & UNDER 8 GIRLS

All rules conform to the FIFA laws of the game except as follows: 1. Boys and Girls will play on 1 field of 4V4. Field size is 90 x 60 ft. The center circle radius is 4 yds. Goals are 6 x 12 ft. Goal area is 3 yds from the goal line and each goal post. No penalty area, penalty arc or penalty mark.

- The ball size is a #3.
- No heading the ball in this age group.
- 4 v 4 Boys and girls' leagues are separate. The boys and girls team rosters will be a minimum of 5 and a maximum of 8. Each team needs a minimum of 3 players per field to start a game. There are **no goal keepers**.

5. The referee is to briefly explain all infractions to the offending player.

6. 8 & Under does not use assistant referees.

7. The coach coaches one field and can not go farther than 1/3 of the way onto the coaches and player bench side of the field.

8. If a team reaches a 4-goal advantage, the opposing team coach will select a player from the team that is ahead to move to their team. The teams will play 5 players (opposing team) V 4 players (4 goal advantage team). If the advantage drops, the player will return to their own team. Girls should wear a cotton shirt under their game shirt. This will be needed if the child is the players chosen to play on the opposing team. We will have a red and a blue vest in the field equipment bags for girls that do not wear a cotton shirt under their reversible shirt. Remember that all players must play at least 50% of the game. The referee shall oversee the coaches pulling of players to see that it is fair.

8. Games are 4 quarters of 10 minutes each, with 2-minute breaks between quarters and 5 minutes at half-time.

9. Teams rotate ends of the field at the half and alternate taking the kick-off. The start-of-quarter kickoffs always go in the same direction. No coin toss, the visiting team takes the opening kickoff and rotates fields at half time.

10. On kickoffs the ball may go directly into the opposing team's goal; a kickoff for the defending team results.

11. Emphasize fun but do not keep score.

12. There are no offside offenses, but the referee may warn for cherry picking.

13. All fouls result in a direct free kick. This means the ball does not need to touch another player before scoring.

14. Opposing players must be at least **5 yards** from the ball during free kicks, goal kicks, or corner kicks.

15. **There are no penalty kicks or display of cards for misconduct.** Direct Free Kicks will be awarded to suffice for penalty kicks.

16. Allow a second throw-in if a player commits a violation on the first attempt.

17. Goal kicks and Corner kicks conform to FIFA.

GENERAL GUIDELINES

• Only players rostered to the participating teams will be allowed to play in a league game. Coaches: if you or the opposing team does not have enough players present to participate, meet and divide the eligible players present into 2 evenly skilled teams and play the game. Rotate or swap players as needed to make an evenly skilled match.

• A player must not wear anything that is dangerous to themselves or another player. This includes jewelry of any kind, except for items that are clearly medical or religious in nature, such as medical alert bracelets or wedding bands. In all cases, the referee must not consider these items to be dangerous. Players are not allowed to have ANY kind of beads or metal hair pieces. They shall not be allowed to play unless they remove the pieces from their hair.

Concussions / Heading:

Players that are 10 years old & under - No Heading Allowed

Players 11-12 years old - Limited Heading Allowed In Practice ONLY

Players 13 years old & older - Heading Allowed In Practice and In Games

Violation of this rule is an indirect free kick. Persistent violation can result in a yellow card and a second yellow card infraction would result in a red card. If a parent makes the decision for their child to play up, resulting in the child playing in 13 or up, the parent must be made aware of the fact that it is in direct conflict with the mandate that goes into effect 8/1/16 regarding heading. The primary concern of all organizations and leagues is to provide a safe as possible playing and practice environment. The parent in this case of wanting their child to play up would assume the potential risk relative to heading and concussions since they have been made aware that it is in conflict to the mandate effective 8/1/16. If a player is sent off by a referee for a possible concussion, the coach and parent assume responsibility if the player is sent back into the game. The referee can send the player back off the field if symptoms of a concussion is evident.

• Spectators must sit or stand on one sideline while both teams' players and coaches are on the other sideline (the one with the team benches). No one may sit or stand behind the goal lines.

• Coaches are responsible for the conduct of their team, including players, assistant coaches and parents.

• Each coach is responsible for playing each player at least half the game.

• The JAWS board may suspend or expel from the league any parent, coach, player, or referee guilty of misconduct.

• Coaches may file protests on rules or eligibility decisions with the referee and turned in to JAWS no later than the Wednesday following the game. The JAWS board will issue a decision as soon as possible. If at all possible, COI will facilitate the rescheduling of rain-outs or schedule conflicts with coaches assistance.

• Except for each team's goal keeper, all members of a team must wear shirts of the same color.

Starting in the spring of 2005, JAWS youth players will wear RED and ROYAL reversible JAWS approved soccer shirt available individually from Great American Sports HOME team wears RED and the VISITING team wears BLUE. Non-uniform clothing is allowable based on weather conditions, but the reversible shirt must be worn on the outside. Shirts should not be customized with names, numbers or other decorations so that the shirts may be worn season after season.

• All players must wear age & size appropriate shin guards worn under the socks.

• Referees have **TOTAL** decision making power regarding substitutions, time keeping, suspension of games, and infringements of the laws of the game including cautions or sendoffs. Unlimited substitutions may take place at any stoppage with the permission of the referee.

• JAWS does **not** allow metal cleats or cleats with a single spike in the toe area (football or baseball style).

• A player initiating a restart may not touch the ball a second time; indirect free kick results for the opposing team.

• Ball remains in play while any part of it is within, on, or over the touch (side) lines or goal (end) lines.

• Quick restarts on free kicks and throw-ins are an exciting and encouraged part of the game.

• Games may end in a tie; no overtime.

GAME DAY REMINDERS
