## SPRING 2010 SOCCER RULES AND REGULATIONS UNDER 12 GIRLS

### GENERAL GUIDELINES

No player may participate unless they are on the official JAWS player roster. Failure to comply results in a loss of team insurance and a forfeit! Officials must conduct roster checks to ensure compliance.

A player must not wear anything that is dangerous to themselves or another player. This includes jewelry of any kind, except for items that are clearly medical or religious in nature, such as medical alert bracelets or wedding bands. In all cases, the referee must not consider these items to be dangerous.

Spectators must sit or stand on one sideline while both teams' players and coaches are on the other sideline (the one with the team benches). No one may sit or stand behind the goal lines.

Coaches are responsible for the conduct of their team, including players, assistant coaches and parents.

Each coach is responsible for playing each player at least half the game.

The JAWS board may suspend or expel from the league any parent, coach, player, or referee guilty of misconduct.

Coaches may file protests on rules or eligibility decisions with the referee and turned in to JAWS no later than the Wednesday following the game. The JAWS board will issue a decision as soon as possible.

If at all possible, COJ will facilitate the rescheduling of rain-outs or schedule conflicts with coaches assistance.

Except for each team's goal keeper, all members of a team must wear shirts of the same color. Starting in the spring of 2005, JAWS youth players will wear RED and ROYAL reversible JAWS approved soccer shirt available individually from Great American Sports or from [www.gamereadysports.net](http://www.gamereadysports.net).

The HOME team wears RED and the VISITING team wears BLUE. Non-uniform clothing is allowable based on weather conditions, but the reversible shirt must be worn on the outside. Shirts should **not** be customized with names, numbers or other decorations so that the shirts may be worn season after season.

All players must wear age & size appropriate shin guards worn under the socks.

Referees have total decision making power regarding substitutions, time keeping, suspension of games, and

infringements of the laws of the game including cautions or sendoffs. Unlimited substitutions may take place at any

stoppage with the permission of the referee.

JAWS does not allow metal cleats or cleats with a single spike in the toe area (football or baseball style).

A player initiating a restart may not touch the ball a second time; indirect free kick results for the opposing team.

Ball remains in play while any part of it is within, on, or over the touch (side) lines or goal (end) lines. Quick restarts on free kicks and throw-ins are an exciting and encouraged part of the game. Games may end in a tie; no overtime.

8. Coaches may not be on the field.
9. On the players and coaches side of the field, there can only be rostered players, 1 coach and 1 assistant coach. The coach and assistant coach have to be listed on the roster. Everyone else must sit on the opposite side designated for spectators and parents.
10. The coach, assistant coach and players will be confined to the specified area for their team. This designated area will be 3 feet from the touchline and starting from the substitution area at midfield extending 10 yards on your teams half of the field. The assistant coach can't get off the bench. The coach can get off the bench, but can't leave the designated area. First time out of the box is a warning.
