**Rules for drafting field practice time
at Kate Campbell Robertson (KCR) Park**

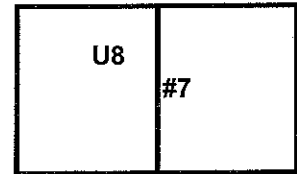

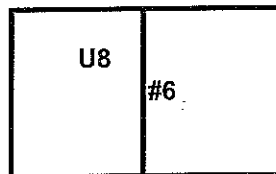

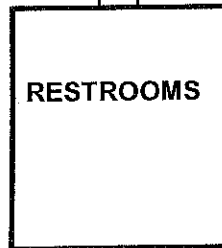

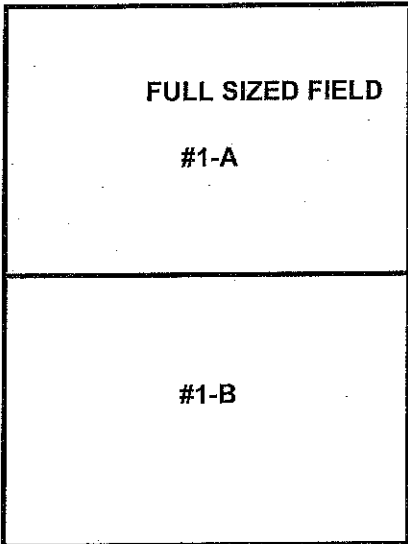

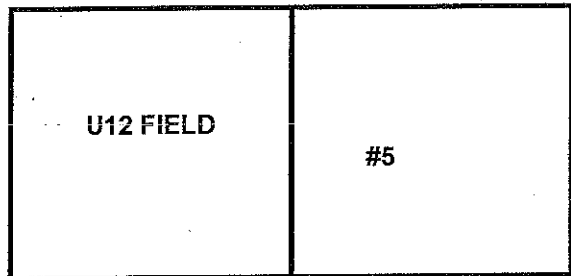

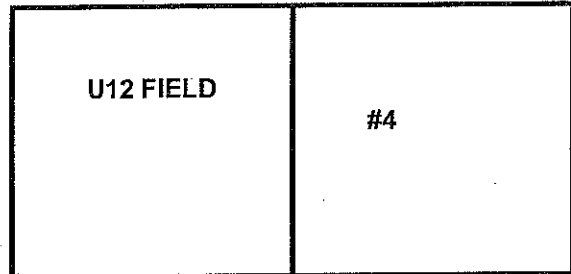

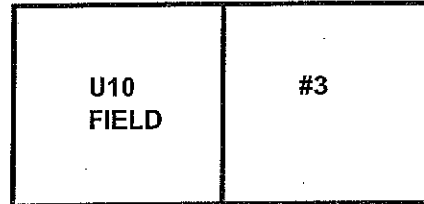

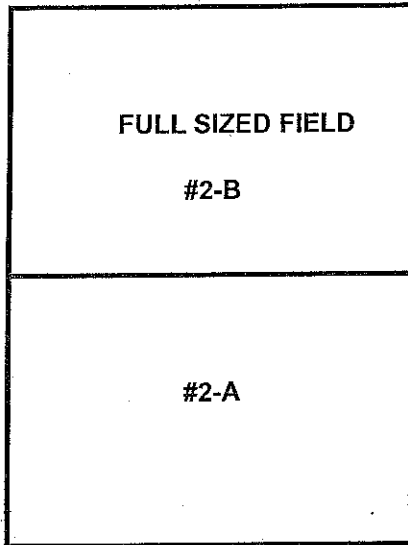

**The first date you can get on the fields will be Monday,
February 17th.**

1. Each team wanting a practice at KCR will fill out a form giving 5 choices (day of week and time) for practice. Rate them 1st choice, 2nd choice, 3rd choice, etc.
2. A number will be drawn at random starting on Tuesday, January 7 by a representative from each team desiring to practice at KCR Park. The numbers will run from 1 to ?, based on the number of slots in each age group. Drawing numbers will end at 4:30 PM. on Tuesday, February 4, 2014. The number will determine the selection order in each age group. When your number comes up we will use your 5 practice choices in the order given to get you the best time. JAWS Recreation teams get priority in field selection.
3. Starting Monday, February 17 at 9:00 a.m., practice times will be assigned to each team, in order, based on the draft number, by Susan Blackmon. Selection will consist of one time slot. The same time will be available each week through the season. Be sure that I have a legible e-mail address. I will e-mail field assignment.
4. After each team has been assigned one practice time, in order, a second selection round will occur. A team does not have to choose a second time slot.
5. Starting Tuesday, February 18, additional practice slots may be taken in any random order.
6. Practice times will be according to the following guideline. The focus is on weeknights. Saturday & Sunday daytime or nighttime are available at first come first serve or pay to reserve a time, but will not be a chosen in the lottery. Field sign up is for a full field for U6 – U12. For the U14 and older, the field sign up will be for ½ a field for the first two time slots each day and then a full field for the last time slot of the night. (If all the slots are not filled up, teams may use the full field in the two earlier slots.)
